

Join WMMA for a Trade Mission to Vietnam March 7-11, 2021

Vietnam is one of the fastest-growing economies in the world, and has a strong and growing furniture and wood products manufacturing market. The Vietnamese' appetite for American wood machinery is currently unfulfilled.

WMMA's trade mission to Vietnam is intended to expose our members to this potential market, help you to make dealer contacts and create some exposure for your company among potential buyers. The mission will take place March 7-11, 2021. There is a \$500 upfront fee to participate (per company, up to 2 people per company can attend); the \$500 will be reimbursed after the event. Members must attend the event for the \$500 refund.

NOTE: After registering for this event, we will send you a questionnaire to help U.S. Commercial Services arrange the appropriate meetings and factory tours for you based on your interests. We will also provide you with access to our hotel block, near the American Center where our meetings will be set up.
